

De Birs Yachts

Cairo, Egypt. Contact: (011) 20 2 336 8117. www.debirsyachts.com. Construction: F

U.S. office: Alliance Marine, Pompano Beach, FL. Contact: Robert Bell. (954) 941-5000.

The yard did not respond to our request for information by presstime.

Delta Marine Industries

Seattle, WA. Contact: Michelle Jones. (206) 763-2383. www.deltamarine.com. Construction: A, S, F

Expect Marama, a 123-foot expedition yacht being delivered this summer, to spend much of her time in the South Pacific. She boasts a 23,600-gallon fuel capacity. The 156-foot Slojo splashes next year.

Derecktor Shipyards

Bridgeport, CT. Contact: Suzanne Alent. (203) 336-0108, x. 112. www.derecktor.com. Construction: A, S, F

The yard doesn't have any motoryacht projects launching soon, though it plans to deliver the code-named Project Gemini next spring, which at 145 feet LOA will be the largest sailing catamaran in the world.

Devonport Yachts

Plymouth, England. Contact: Dean Smith. (011) 44 1752 323311. www.devonportyachts.com. Construction: S

The code-named Project 54, a 269-footer, debuts next spring.

Falcon Yachts

Viareggio, Italy. Contact: sales department. (011) 39 0584 388027. www.falconyachts.com. Construction: F

Three Falcon 102s will be delivered by next summer, as will two 115s.

Feadship/Royal De Vries Scheepsbouw

Aalsmeer, The Netherlands. Contact: (011) 31 23 524 7000. www.feadship.nl. Construction: S

U.S. office: Feadship America, Fort Lauderdale, FL. Contact: François van Well. (954) 761-1830.

In March the yard delivered the 168-foot Gallant Lady. An unnamed 128-footer is among the projects under construction.

Feadship/Royal Van Lent Shipyard

La Kaag, The Netherlands. Contact: (011) 31 23 524 7000. www.feadship.nl. Construction: S

U.S. office: Feadship America, Fort Lauderdale, FL. Contact: François van Well. (954) 761-1830.

Space, the first in Feadship's 146-foot, semicustom F45 Vantage series, launched in the spring. Another F45 should be delivered this year.

Ferretti Yachts

Forlì, Italy. Contact: Consuelo Bentivogli. (011) 39 0543 474 411. www.ferretti-yachts.com. Construction: F

U.S. office: MarineMax dealerships nationwide. Contact: (888) 719-2248 for one nearest you.

A handful of Ferretti 830s and 881s are in various stages of construction, for delivery through next August.

Fincantieri Yachts

Muggiano, Italy. Contact: Andrea Piantini. (011) 39 0187 5431, andrea.piantini@fincantieri.it. www.fincantieri.it. Construction: A, S

Relatively new to the yacht world (its background is commercial construction), Fincantieri won't deliver a project until 2010—but what a project it will be. She'll exceed 130 meters—426 feet—featuring an indoor seawater pool and stowage for a sub.

Hakvoort Shipyard

Monnickendam, Holland. Contact: Klaas Hakvoort. (011) 31 299-651403. www.hakvoort.com. Construction: A, S

An American is awaiting delivery of Perle Blue, a 125-footer. A 137-footer is also under construction.

Hargrave Custom Yachts

Fort Lauderdale, FL. Contact: Michael DiCondina or Peter Colagiovanni. (800) 551-9590 or (954) 463-0555. www.hargrave-usa.com. Construction: F

A repeat owner should be cruising aboard his 100-footer around the time you're reading this. Next up at the yard is a 115-footer (launching next month) and a 101-footer that will splash by year's end.

Hatteras Yachts

New Bern, NC. Contact: David Ritchie. (252) 634-4895. www.hatterasyachts.com. Construction: F

While known primarily for its sportfishermen, Hatteras continues to offer a motoryacht line including 80-, 92-, and 100-footers.

Heesen Yachts

Oss, The Netherlands. www.heesenyachts.nl
